LIFE SAVING RULES

No consumption or being under the influence of alcohol or drugs on company property

No smoking outside dedicated smoking areas

No work on live equipment/machines to commence without authorisation

Safety critical devices/interlocks must not be disabled or overridden without authorisation

Persons working at height must use proper fall protection

No entry to confined space without authorisation and gas test

Lifting & hoisting – no unauthorised person to enter the defined danger zone where objects can fall

INEOS Group Life Saving Rules are in place to avoid fatalities or life-changing events. Breaking of a Life Saving Rule will be investigated, and follow the relevant disciplinary procedures up to and including dismissal.
